A Letter to the People I Love

Prepared by

Prepared on

This document is not a will, a trust, or any other legal or financial instrument. It is simply a gift — a map and a message, written with intention, so that the people who matter most to me do not have to guess.

OPENING · WHY I'M WRITING THIS

I am writing this for...

More than anything, I want them to know...

I took the time to write this because...

My hope is that this document gives them...

A note on how to use this document: Read it fully before acting on anything. Some sections reference legal documents — those documents govern. This letter is meant to give you context, comfort, and direction — not legal instruction. If something here conflicts with a formal document, the formal document controls.

SOME OTHER THOUGHTS

Anything else I want you to know before you read on...

SECTION 1 · ABOUT ME

This section is not your resume. It is who you are — in your own words. Write as much or as little as feels right.

A bit about me...

What I believe...

Some moments that brought me joy...

Some things I am proud of...

My life's work and what it meant to me...

Causes and charities that matter to me, and why...

My faith, spirituality, or guiding philosophy...

How I want to be remembered...

SECTION 2 · THE PEOPLE IN MY LIFE

The people listed here matter to me. Please reach out to them, keep them informed, and treat them with the same care they showed me.
